

WISDOM FROM ABOVE

“But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere.”

James 3:17

God has a divine plan for our lives and wants us to seek His will which is revealed in His Word. May God grant to you divine wisdom that will be evaluated in light of His Word, not by the standards of this ever-changing world, which often conflict with the wisdom that comes from God. May He also grant to you the courage to do the right thing, regardless of the consequences.
